GNF LEARNING & DEVELOPMENT · MINDSET & LEADERSHIP TRANSFORMATION

Mindset to Abundance

Shift from scarcity to possibility.

A book-based transformation program that moves individuals, leaders and organisations from fear and limitation to ownership, clarity and growth. Built on Guruprakash Iyerr's book, every participant leaves with a personal 90-day action plan.

LEARNING JOURNEY
Six modules

01 Scarcity to Abundance
Recognise limiting beliefs and reframe them into possibility.

02 Focus & Vision
Align personal goals with team and organisational vision.

03 Energy & Resilience
Build the energy and resilience to sustain performance.

04 Opportunity & Value
Spot opportunities and create value instead of waiting.

05 Decisions & Setbacks
Decide with clarity and respond to setbacks with ownership.

06 Collaboration & 90 Days
Work across teams and commit to a 90-day execution plan.

FORMATS & DURATION

4-hour Essentials
A mindset reset for teams

8-hour Full-Day Intensive
Adds diagnostics, team alignment and 90-day planning

Customised Series
A multi-session journey with group coaching and reviews

OUTCOMES

- ✓ Stronger ownership culture and engagement
- ✓ Better cross-team collaboration
- ✓ Greater self-belief and career ownership
- ✓ Clearer decisions and a lower stress response
- ✓ A personal 90-day action plan for every participant

IDEAL FOR

Corporate workshops · Leadership retreats & offsites · Founder & professional masterclasses · Colleges & young professionals · Teams going through change
