Signature Program · Learning & Development

GNF LEARNING & DEVELOPMENT · TALENT & LEADERSHIP DEVELOPMENT

Pratibha ka Poshan

Nourishing brilliance. Growing leadership.

A structured development journey for growing talent from within: from belonging and self-awareness to ownership, delegation and coaching, so organisations build their next line of leaders.

Know more about the program

> ***"When awareness grows, ownership begins. When ownership deepens, leadership happens."***

THE JOURNEY

Five modules, from belonging to leadership

01 Foundation
Purpose, mission and shared values, with a "Panchayat" session.

02 Ownership
Self-awareness, SWOT, accountability and problem solving.

03 Relationships
Networking and value for internal and external customers.

04 Empowerment
Delegation, goal setting and feedback for growth.

05 Leadership
Coaching conversations and a culture of growth.

Awareness Know yourself › **Ownership** Take charge › **Leadership** Grow others

OUTCOMES

- ✓ Stronger sense of belonging and shared purpose
- ✓ Greater accountability and problem solving
- ✓ Better delegation, goal setting and feedback
- ✓ Leaders who coach and grow others

IDEAL FOR

Managers · Supervisors · Emerging leaders · High-potential employees · Future role holders
