GNF | iVeri

Hiring Platform · Powered by GNF

IVERI GLOBAL PVT. LTD. · POWERED BY GNF

iVeri: verified hiring, built by HR.

Your branded Career Page and every response, tracked from job post to joining.

One place for employers and staffing agencies to publish roles, receive applications and agency submissions, and move every candidate through each stage.

INSIDE ONE VACANCY

- **Recruiter** — "Who is ready for the next step?"
- **Hiring manager** — "What's waiting on my decision?"
- **HR leader** — "Where is the vacancy stuck?"

LIVE · MODULE 01

Branded Career Page

Publish every open role on a careers page in your own branding. Candidates apply directly, and each application lands straight in your tracking pipeline with no forwarding or re-keying.

LIVE · MODULE 02

Response Tracking System

Applications and agency submissions arrive in one pipeline. Move each candidate through your stages and see where every vacancy stands.

Job post › Responses › Screening › Shortlist › Interviews › Offer › Joining

- ✓ Views for recruiters, managers and HR leaders
- ✓ Multiple users, openings and locations
- ✓ Built for employers and multi-client agencies
- ✓ Expected and actual joining tracked separately
- ✓ Handles high response volumes

HOW THE TRIAL WORKS

Four steps, one live vacancy, 30 days

1. **Start your trial** — Sign up for the free 30-day trial.
2. **Publish a role** — Put a live vacancy on your Career Page.
3. **Track responses** — Move real applicants through each stage.
4. **Compare** — Judge it against how you hire today.

FREE 30-DAY TRIAL
